Objective

Motivated Website Design Specialist with a strong foundation in web development, UI design, and project management. Proficient in HTML, CSS, JavaScript, and Figma, eager to apply technical and problem-solving skills in a collaborative environment.

Experience

Translator | Ultium Cam | November 2023 - February 2024

- Translated technical and financial documents from Korean to English and French and vice versa, enhancing communication and accuracy in a multi-lingual environment.
- Managed tight deadlines while maintaining high-quality translations, showcasing strong organizational and project management capabilities applicable to digital design workflows.

Bagger | IGA | January 2023 – April 2023

- Handled 200+ customer transactions daily, efficiently packing groceries to ensure customer satisfaction and smooth checkout operations.

Floor Clerk | Jang Teu (Korean Market) | 2021 – 2022

- Assisted an average of 50+ customers daily, ensuring prompt service and resolving inquiries to maintain high customer satisfaction.
- Managed 100+ inventory items weekly, organizing and restocking shelves efficiently to support smooth store operations.

Tester | GlobalStep | May 2020 – July 2020

- Worked in a 5-member team to identify, document, and resolve software bugs across three distinct projects, ensuring seamless user experiences.
- Gained expertise in bug-tracking software and testing frameworks, contributing to effective problem-solving through teamwork.

Skills

- Web Development:** HTML, CSS, JavaScript, WordPress, Python, Django, GitHub
- Design Tools:** Figma, Adobe Photoshop, Illustrator, Premiere Pro, Wireframing, Prototyping
- Other:** Microsoft Office Specialist (MOS Certified)

Education

Vanier College

Website Design Specialist | February 2024 – Present

- Specializing in web development, user interface design, and project management using tools like Python, Figma, HTML, CSS, and JavaScript.
- Working on team-based projects to deliver client-focused web solutions, emphasizing adaptability and effective teamwork.

Concordia University

Sociology (Major) | September 2020 – August 2023

- Focused on understanding social structures and behaviors through courses like Research Methods, Quantitative and Qualitative Analysis, Social Theory, and Statistical Analysis.

Volunteer Experience

Sunday School Teacher | *Montreal Korean Methodist Church* | October 2018 – Present

- Taught gospel and life skills to teenagers, preparing lessons and organizing Sunday school events.
- Developed leadership skills through lesson planning and supervising activities.

Volunteer Work with Homeless People | *Various Locations, Montreal* | 2018 – 2020

- Served food and provided winter items to homeless individuals through shelters and outreach programs.
- Enhanced communication and empathy skills by engaging with their stories and struggles.

Riverside Elder's Home Volunteer | *Oka* | December 2018 & April 2019

- Assisted Mohawk elders with daily activities, fostering communication and cultural understanding.

First Nation Mission | *Kanesatake* | August 2018 – December 2019

- Supported members of a First Nation church by listening to their challenges and providing emotional and spiritual support.
- Gained awareness of Indigenous issues through meaningful interactions.

Adopted Children Volunteer | *Hanca Education Centre* | January 2016, 2017, 2018

- Organized events for adopted Korean children, teaching them about Korean culture.
- Prepared materials and equipment to ensure smooth event execution.
